

## 2023 Providence Cristo Rey High School Walking With Wolves Walk-A Thon Sponsorship Opportunities

Moving into our new campus this past summer has afforded us some awesome opportunities – hosting our first ever home athletic competitions, hosting our annual fundraiser Pride of Providence on campus, affording us room to grow our student body, and now being able to bring our third annual Walk-A-Thon - Walking with Wolves - on campus.

On Friday, May 19, Providence Cristo Rey will be hosting a day of incredible student activities including a Talent Show, Walk-A-Thon, and Field Day all hosted on our brand-new campus. The Walk-A-Thon is an annual student-led fundraiser that celebrates our students and families. Pairing it with our Field Day this year will bring together our whole community in a celebration of all things student life. This year a group of student leaders have chosen the Walk-A-Thon's name, logo, funding priority, and the prizes that the students will earn as they fundraise. Funds raised will support Student Life programming, all of which helps create a more well-rounded high school experience for our students.

The Wolf Pack is stronger when it comes together, and we want to humbly ask for your consideration in sponsoring this howling good time that celebrates our students, our community, and our new home. Sponsorship details are included below.
