

PROVIDENCE CRISTO REY WALKING WITH WOLVES WALK-A-THON PRIZES

TEAM FUNDRAISING	
<p>We are making things more interesting by adding a layer of friendly team competition to this year's Walk-A-Thon. All students have been randomly divided into four teams - Red, Yellow, Green, and Blue. Each team is led by a team of PCR staff members. As you fundraise, your individual total is added to your team's total. There will be two rewards. One for the team with the greatest fundraising total and one for the team with the highest number of student participants.</p>
