## ABOUT PROVIDENCE CRISTO REY

Providence Cristo Rey High School opened in 2007 to 82 students. Sponsored by the Sisters of Providence, St. Mary-of-the-Woods, Providence is one of 41 schools across the country in the Cristo Rey Network, collectively educating over 12,000 students. The unique model of education offered by Providence Cristo Rey integrates college-prep academics with corporate work experience. Partnering with over 100 companies and organizations around the city of Indianapolis, Providence students gain valuable skills while preparing for college, their future careers, and life.

## MISSION

A Catholic, coeducational, college, and career preparatory high school serving Indianapolis, Providence Cristo Rey High School offers a transformational educational experience to students with economic need.

# GREETINGS FROM OUR PRESIDENT

The 2024–2025 school year was one we will never forget. When we lost power during our annual Pride of Providence event, you literally used your light to help keep the evening going. When we faced moments of uncertainty, you stepped in with encouragement and generosity. And together, we reached the highest fundraising total in the history of our school. Your loyalty to our students and your commitment to our mission are deeply inspiring. I am grateful beyond words for your continued support.

Graduating the Class of 2025 also marked the end of an era for our school. They were the last students to walk the halls of our former building, and the last of the smaller graduating classes, with 37 seniors crossing the finish line and stepping into their next chapter of college or career. We are incredibly proud of all they have accomplished, and we hope you know the important role you played in helping them achieve their goals.

With your commitment as our partner in mission during the 2024-2025 school year, we reached new heights by accomplishing the following:

- Welcoming the largest freshman class in the history of PCRHS and establishing our first official waitlist
- Reaching new milestones in our Corporate Work Study Program with 35 students placed at Eli Lilly and 38 students placed at IU Health
- Launching new student life initiatives, including our new house system designed to strengthen community, leadership, and school pride

I am humbled to share Providence Cristo Rey's 2024-2025 Annual Report with you. Thank you for making all of this and much more possible.

May we continue to put our trust in Divine Providence and have faith that the gentle hand of God is guiding us in our journey forward. St. Mother Theodore Guerin, pray for us!

A handwritten signature of Tyler Mayer in black ink.

## ACHIEVING THE DREAM | CAPITAL CAMPAIGN

2024–2025 marked our third full school year in our new, permanent home. Over the past three years, we have continued to make this building our own, creating spaces that reflect the immense potential of the students we are lucky to serve. The following donors generously supported our Achieving the Dream Capital Campaign. Their commitment made it possible for us to acquire this building and to continue offering the transformational education our students deserve.

## Lilly Endowment Inc.

A private foundation since 1937

In December of 2025, we were blessed to be awarded \$6,000,000 from Lilly Endowment Inc. through its Marion County K-12 Private Schools Initiative. We are thrilled for what this means for the future of our school, and have set out to secure an additional \$6,000,000 in matching gifts from our community of supporters. The following donors have committed to helping us achieve that goal and secure a legacy of transformational education for our students.

Providence Partners offers friends of Providence Cristo Rey High School the chance to support our incoming 9th graders with scholarships. A gift of \$5,400 a year for four years sees one incoming 9th grader through their entire high school journey. Our Providence Partners aren't just providing financial support; they're also forming a meaningful bond with our incoming 9th graders as they progress through their high school journey. We would like to thank the following donors for being a part of this program:

- John Ameis Jr and Sandy Ameis

## INSTITUTE FOR QUALITY EDUCATION - SCHOLARSHIP GRANTING ORGANIZATION (SGO)

The gift of scholarship is critical in giving Providence Cristo Rey students the opportunity to create a promising future. Indiana's Tax Credit Scholarship Program was created in 2009 to give families who meet income guidelines an opportunity to send their child to a participating private or charter school. Every year, over 90% of Providence students benefit from such scholarship gifts. Indiana businesses or residents can also benefit from this program because the tax credit is equal to 50% of the amount donated and can be used to reduce Indiana state income tax liability. To find out more or to give the gift of scholarship, visit Institute for Quality Education at [i4qed.org](http://i4qed.org).

Turning Potential  
Into Possibility

The Class of 2025 spent their time at Providence Cristo Rey discovering what they are capable of. They challenged themselves in the classroom, took responsibility in the workplace, and grew in confidence and perseverance within a community that believed in them. Every experience prepared them for the opportunities ahead. They left knowing that hard work, curiosity, and dedication open doors and shape the future. We are excited to see how they take what they learned at Providence Cristo Rey into their lives in college and beyond.

## ALUMNI SPOTLIGHT

### ANDREW MURPHY | CLASS OF 2025

You might remember Andrew Murphy if you attended our Pride of Providence: One Small Step event. Andrew helped facilitate the interview with TJ McConnell, driven by his love for basketball, his interest in Duquesne University (McConnell's alma mater), and his dream of pursuing sports journalism.

We are happy to share that Andrew is now following in TJ's footsteps as a freshman at Duquesne University. He is thriving in the college environment and has quickly become involved in campus life as a manager for the men's basketball team, a practice squad member for the women's basketball team, an active participant in the Black Student Union, and just applied to be an RA next year. When reflecting on his journey, Andrew credits Providence Cristo Rey for helping shape both his confidence and his future: "Providence helped lay the foundation for what I can achieve now. My teachers helped me grow and gave me what I need to succeed in my current classes." Andrew is also quick to acknowledge the people from PCRHS who walked alongside him along the way: "Mrs. Haag helped me develop strong writing skills that continue to support my major, Mrs. Wolf made learning fun and exciting while setting a solid foundation for his humanities classes, and Mrs. Sluka taught me how to manage his time well." He also credits Mr. Gonzalez, saying his compassion made Andrew want to come to school more and helped him see the bright side of learning.

Thank you for believing in Andrew and for helping make his dream of attending Duquesne University a reality. Your support continues to open doors, create opportunities, and change lives in ways that echo far beyond our walls.
